About our brewery

We are a small craft brewery just four miles from the centre of Oxford on the southern slope of Shotover Hill. We produce distinctive beers using the finest English Maris Otter malted barley and whole hops added in multiple stages. We hope you enjoy our beer.

Our beers

Shotover Prospect 3.7%. A very hoppy, pale copper session ale combining modest strength with a big flavour. Very moreish and perfect for parties. Award-winner at the CAMRA Reading and Oxford beer festivals. Dry hopped.

Shotover Trinity 4.2%. A pale golden beer with an intense citrus hoppiness. 2014/15 CAMRA Champion Beer of Oxfordshire. Dry hopped.

Shotover Scholar 4.5%. A classic English bitter – mid copper in colour, deep and complex in flavour. Dry hopped.

Shotover Oxford Porter 5%. Dark, rich, smooth and complex, with an aroma of coffee and chocolate. Perfect for a winter's evening.

Cases of bottle-conditioned ale (can be mixed)

Bottle-conditioned ale undergoes a natural secondary fermentation in the bottle and contains a small amount of yeast sediment. It is unfiltered, unpasteurized and vegetarian. This is bottled beer as it is meant to be. Our bottled beers feature in the CAMRA Good Bottled Beer Guide.

Prospect 3.7% Case (12 x 500ml)	£22.00
Trinity 4.2% Case (12 x 500ml)	£23.00
Scholar 4.5% Case (12 x 500ml)	£23.00
Oxford Porter 5% Case (12 x 500ml)	£24.00

Gift packs of bottle-conditioned ale

3 pack in gloss black carrier (one each of any beer)	£7.50
4 pack in gloss black carrier (one each of any beer)	£10.00
Shotover Brewery pint glass	£2.50

Polypins of cask ale

These are “bag in box” and filled to order fresh from cask. They contain no sediment and can be moved around and drunk straight away. Great for parties.

Prospect 3.7% 10 litre (17.5 pints)	£30.00
Prospect 3.7% 20 litre (35 pints)	£56.00
Trinity 4.2% 20 litre (35 pints)	£60.00
Scholar 4.5% 20 litre (35 pints)	£60.00

Cask Ale

This is the real thing: beer from the cask. We loan the equipment required to serve it.

All equipment must be returned and a deposit may be required. A cask contains 72 pints.

9 gall Prospect 3.7%	£95.00
9 gall Trinity 4.2%	£100.00
9 gall Scholar 4.5%	£100.00
9 gall Oxford Porter 5%	£105.00

Cask ale should be set in position 24 hours before drinking. For an extra £5.00 we can prepare “bright” casks to allow immediate set-up and drinking (24 hours' notice required).
